Deputy Principal's Report

Multicultural/Harmony Day

Well done and a big “Thank you” to all those amazing student leaders who organised the Multicultural/Harmony Day 2021. It was wonderful to be able to have people on the school grounds again to provide our students with a rich cultural experience. I am always impressed by the commitment of our students who wore some of the most beautiful and colourful clothing. This added to the wonderful performances in the hall to make for a rewarding day of harmony of recognition of the diverse community we all make up. See photos in this newsletter.

NAPLAN 2021

NAPLAN 2021 will be administered through an online environment where each student will receive tailored questions based on their responses as they progress through the examination. The examination will be conducted over a two week period with students accessing the online environment at various periods throughout that time. Previously, the examination has been administered over a three day period that has caused significant disruption to the entire school. The new online method will allow the school to continue its usual smooth running and provide students longer breaks.

Can you please make sure your Year 7 or Year 9 child has a set of ear phones that are connected to their device on each day of NAPLAN.

Year 7 Camp

No updated information has been provided by the Department of Education in relation to the cancellation of camps at five venues across NSW. We apologise that we cannot provide an explanation at this point in time but trust that if the Department of Education issued a safety alert then it may be fortuitous that we did not attend. We have had a lot of rain this week so hopefully an alternate date will give us more sunshine. We are awaiting guidance as to whether we need to search for alternate venues. I thank parents for their cooperation.

P&C

It was great to see some new parents at last Monday's P&C meeting. Thank you to ALL parents who have paid their P&C contribution in lieu of fundraising. The agenda for this week was supporting staff initiatives and voting on the distribution of funds to enhance student outcomes.

The following has been supported:

- HSIE \$3,600 for VR Goggles, Stage 4 Excavation kits and internal display cabinets to showcase students' work.
- PDHPE \$5,000 to contribute to the cost of \$12,000 to convert the netball court hoops to rotation basketball/netball hoops. Allowing more students access at recess and lunch to basketball courts but allowing for netball when needed in the PDHPE syllabus/sport activities.
- Science \$5,000 for STELR kits- initially purchased by the P&C – more are needed to cope with student growth.
- Music \$5,000 to contribute to the purchase of more keyboards and guitar equipment.
- VA/ Photography \$2,400 for extra photographic equipment to assist with Stage 5 and 6 photography.
- Debating \$950 a PA set up, catering for incoming schools, training for students to assist the debating club.
- Creative Writers Guild \$4,300; \$3,000 of this is to publish our anthology of student work. The initial book launch in 2020 was a highlight of the year.
- Academic Competitions \$2,500. The competitions approved include Write a Book in a Day where the produced books are given to patients at the Sydney Children's Hospital. Also competitions that benefit large groups of students not individuals.

Once these have been purchased an article will appear in this newsletter to show parents how the money has been invested and how it will be used by students.

The P&C has already contributed in 2020-21 to

1. Cooler classrooms \$10,000
2. Getting the Duke of Edinburgh program up and running \$5,000
3. Edrolo for seniors \$12,000 payable in 2022
4. Student sashes for graduation price TBC

We sincerely thank all parents once again who make this contribution payment to support better activities and provisions for our students.

Please come along to our next P&C on 3 May to get an update on the School 4 year plan which outlines the vision and direction of the school.

CONGRATULATIONS TO

Part of the onboarding that newly appointed teachers have to do, is a process called **Accreditation**.

During Accreditation teachers collect evidence and are asked to map these pieces of evidence against professional standards.

This is usually celebrated by staff members during morning tea. In absence of our usual fortnightly whole school morning tea, we would like to congratulate Miss Sandra Lin from the Math Faculty on successfully completing her Accreditation.

NOTE TO PARENTS

THE IMPORTANCE OF PERMISSION NOTES

Permission Notes allow us to take students off the school grounds and to attend excursions. Without a Permission Note, we cannot legally take your child off site. We do understand that if you pay for an event, your intention is for them to attend but we **MUST** by law have a signed Permission Note.

Your students are now in high school and we do rely on students to pass on notes to parents, and for parents to sign notes and have them returned to the school Front Office. Occasionally, we may request permission to be given for whole events via a link that we email to you.

As Permission Notes are returned by the student and payments may be made online, we do not process Permission Notes on a daily basis, we collate them until the event cut-off date and then process them. Therefore we cannot chase students who may have made payments but not returned the Permission Note in time. The responsibility for both payment and Permission Note is upon the students and parents. Please be aware that we have almost 2,000 students and cannot chase individuals.

This applies to all events and excursions.

Thank you for your assistance with this process.

LOST PROPERTY

Dear Parent/Carers,

We have a lot of items in our lost property 5 boxes:

- Sports jackets
- Sports bags with shoes x 10
- Pencil cases
- Plastic containers
- Shoes
- Checked pencil case and crown

Please ensure your children's belongings have a label with their name and write their name in the plastic containers so we can return items to your child.

If your child has lost an item, please ask him/her to ask at the Students Window in the Front Office.

Items not collected will be disposed of at end of term.

IMPORTANT DATES

2021

TERM 1

Week 9

Monday 22 March

12Ext2 State Library & Gallery Excursion
SRC Meeting Library 4:30pm

Thursday 1 April

LAST DAY OF TERM

Friday 2 April

GOOD FRIDAY

MULTICULTURAL/HARMONY DAY

Multicultural Day at The Ponds High School was a fun filled day. Students dressed up in national costumes some of the countries represented were: Australia, New Zealand, Samoa, Montenegro, Poland, India, Iran, Afghanistan and Korea. Students and staff were able to buy lunch from the different food trucks, buy treats and have beautiful henna designs painted on their hands. Here are some of the photographs I took on the day. The dancing and singing performances were excellent, well done to all the performers. Thanks to the Multicultural Student Leaders and teachers for organising the day. A.Tidmarsh – Newsletter Coordinator

SPORT

CROSS COUNTRY CARNIVAL

Our 6th annual Cross Country Carnival was held at Peel Reserve on Thursday 11 March. The sport events were organised around The Ponds Parklands between Peel Reserve and Jonas Bradley Oval.

The weather on the day was predicted to be rainy, however, we were fortunate to run under mostly cloudy conditions. In addition to running, students were able to participate in a number of novelty events throughout the day including: team jump rope, noodle relays, tug o' war and captain/tunnel ball. High Jump and Long Jump qualifiers were also completed for the upcoming Athletics Carnival in week 9.

Congratulations to all students who participated on the day. The top 10 from each age group will be going to the Macquarie Zone Cross Country in Term 2, Week 5. Thank you to all teachers who assisted in making it such a successful day. Our top 3 runners in each age group were:

	1 st	2 nd	3 rd
12 years boys	Rishab 7-6	Vidyarth 7-2	Siddarth 7-3
12 years girls	Yasemina 7-4	Makenze 7-8	Prisha 7-9
13 years boys	Jad 8-14	Calem 7-9	Brock 7-11
13 years girls	Khushi 7-1	Caitlin 7-7	Pakhi 8-6
14 years boys	Ankit 8-13	Lachlan 8-2	Dylan 8-9
14 years girls	Chloe 8-8	Aashna 9-3	Kate 8-11
15 years boys	Sepand 9-10	Cameron 10J	Josh 9-3
15 years girls	Sarah 9-13	Ana 9-1	Isabella 9-13
16 years boys	Alexander 10E	Samay 10F	Maxwell 10I
16 years girls	Taylor 10C	Riley 10F	Lauren 10E
17+ years boys	Ryan 11-6	Gavin 11-4	Connor 11-3
17+ years girls	Pnina 12-5	Madison 12-6	Milana 12-1

Mr C Burns, Mr A Elliott and Mr J Mondinos
Carnival organisers

BASKETBALL - MACQUARIE CUP

On Tuesday 9 March the TPHS Boys and Girls Opens Basketball teams participated in the Macquarie Cup.

Each squad played a total of 5 games each, with the girls team winning 3 games against Glenwood, Richmond and Windsor High Schools convincingly, while the boys also managed to blow out Glenwood and Windsor, but narrowly lost to Rouse Hill, Colo and the eventual champions of the day, Kellyville HS.

While it was unfortunate that Ms Nicholls, the girls coach was not able to be with the team on the day, the girls did her and stand-in coach Mr Burns proud with their excellent team play and endless energy. I was also encouraged by the way our boys were gracious both in victory and defeat, demonstrating selflessness and team spirit as fine young sportsmen.

Congratulations to all players who represented our school so well on the day, and especially to Gemma, Keira, Arsheen and Rohan who were selected by the convenors to the Macquarie Zone team.

Mr C Hwang

Boys Opens Basketball Coach

Girls Team: L-R BR: Ana (Y9), Aisha (Y9), Milana (Y12), Keira (Y11)
LR-FR: Manret (Y9), Jada (Y9) & Arsheen (Y9)

DANCE NEWS

The Yard Incursion

Year 8 and selected Dance students were treated to a performance from 'The Yard' by Shaun Parker & Co.

This is an award-winning anti-bullying program about bullying, social exclusion, peer pressure and emotional resilience, especially adapted for in-school performances and workshops.

Something extra special about this performance was that our own Priyahsa (11.7) was performing after being seconded as a professional dancer for the company.

Sydney Dance Company Incursion

Our school felt privileged to be the first to officially experience Li Dance Workshops. The elective Dance students were not only in awe of Lauren and Isaac's talent but many students also complimented the duo's ability to comprehensively explain advanced dance technique. Lauren and Isaac trained with Sydney Dance Company and taught the students about complex body skills, safe dance practice and performance quality.

Miss K Duijnhoven

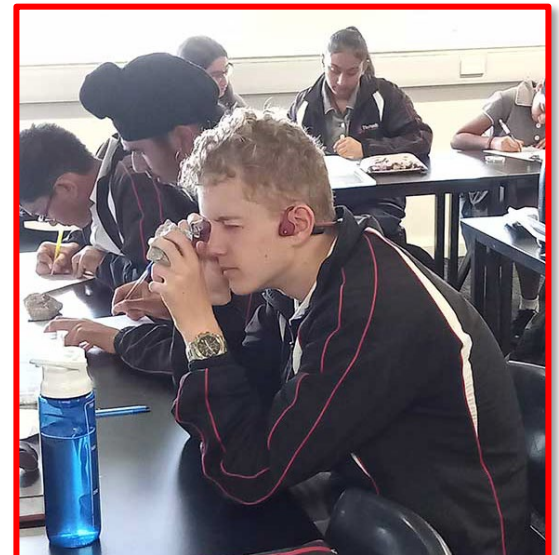

Dance Teacher

SCIENCE

Stage 6 Earth and Environmental Science students recently participated in a Rock and Mineral IncurSION provided by Australian Earth Science Education.

Throughout the session students participated in a series of hands-on activities that saw them classify a variety of rocks and minerals as well as create models to illustrate their formation under varying conditions.

Women in Science at the National Maritime Museum

On Friday 5 March, Year 10 students caught the Metro and train into the city to attend the Women in Science event for International Women's Day at the National Maritime Museum, Darling Harbour.

Students were given an exclusive behind the scenes tour of some of the artefacts stored in the archives as well as an introduction to the role of conservation and registration departments. They also enjoyed some hands on activities at the careers expo and explored a range of career pathways as well as collecting some free samples!

One group snuck in a quick tour of Battleship HMAS Vampire before having a look at the plankton up close under the microscope and speaking with an oceanographer from the University of Technology who helped us search the oceans virtually.

After a quick lunch break we heard an inspiring talk about 7 cutting edge STEM jobs before returning home filled with wonderful ideas for future roles.

J Wilson and R Singh
Science Teachers

The Ponds
HIGH SCHOOL

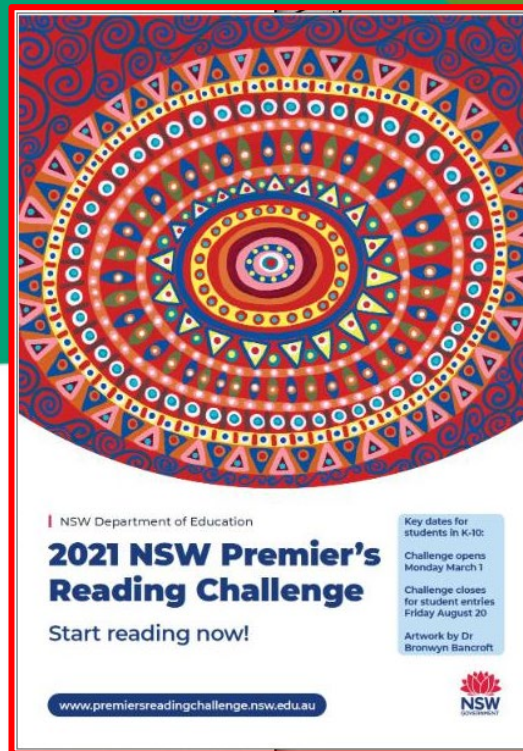

The 2021 Premier's Reading Challenge

The Premier's Reading Challenge (PRC) has opened for 2021! All students in Years 7 to 10 are encouraged to participate. To complete the challenge students must read a total of 20 books by Friday 20 August (a minimum of 15 books from the Premier's Reading Challenge booklist and a maximum of 5 Personal Choice books). The challenge aims to encourage students to read more widely for leisure and pleasure and recognises their efforts for doing so. Students who complete the challenge will receive a certificate with their name and school printed and those who participate from Years 3-9 are eligible for a Medal.

The Premier's Reading Challenge is usually for students in Years 7-9 but given the difficulties faced by many students and their families in 2020, the organisers of the challenge have decided to include students in Year 10 for 2021. The Learning Hub has many of the titles listed on the PRC Booklists but students are able to source these at their local public library as well. The 9Plus Booklist (suitable for mature readers) is very exciting and new titles from the list will be arriving at The Learning Hub soon.

For further information about the Premier's Reading Challenge please visit the following website: <https://online.det.nsw.edu.au/prc/home.html>

Encouraging a Love of Reading

There are many great books about how to support children to develop a love of reading. A recent addition to this genre is Megan Daley's *Raising Readers*. This text has some great tips to help young people engage with books from the early years through to adolescence. Over the next few newsletters I will include some ideas from Daley's book. Here are a couple of ways to encourage a love of reading:

1. The 'read aloud' is a great way for students to engage with books. Young people (of all ages!) love being read to, so reading a book aloud together could be a fun way to connect with your teen. Reading aloud is also a great way for older children to spend time with a younger sibling.
2. There are many ways to create a text rich environment in the home: a designated reading nook with a comfy chair or beanbag, and a little shelf or basket in which to pop books in. Your student may have some ideas about what might work for them.
3. Engage in conversations about books. Check in with your student to ask them about their current read – you could ask them what is happening in the story, what they think about the characters and setting, and maybe even about what they are looking forward to reading next. Conversations about books validate the reading experience and may give you insights into the interests and life of your teen.

Happy reading!

Miss Kira Bryant
Teacher-Librarian

Clean Up Australia Day

Approximately 40 The Ponds High School students took part in the *Clean Up Australia Day* event organised by the Blacktown Lions Club at Jonas Bradley Oval on Sunday 7 March. It was heartening to see the students demonstrate commitment and a strong community spirit by forgoing the opportunity to have an extra few hours of sleep on a Sunday morning to clean up our local park.

By the end of the exhausting 2-hour session our students had picked up approximately 12 bags of rubbish and the bushes looked a lot cleaner. Our exhausted students were then treated to a delicious barbecue breakfast organised by The Blacktown Lions Club.

We would like to thank members of the community who stopped by to encourage us as well as Mrs Venayagam, Mr Harrison and the students for volunteering their time on the day.

We would also like to thank Rajaswi (from 12.1) and The Blacktown Lions Club for organising the event.

CAREERS

Hi All, please follow TPHS Careers Team on [Facebook](#) (has loads of events for you to engage with) and [Instagram](#), we also have a [Careers Website](#) where students can make an appointment for a Careers chat. This website is full of information for students and parents.

Work Experience Opportunities

Please remember, all year 10 students are expected to go to Work Experience. All details and documentation needed are on the CANVAS folder, module 3. Here are just a few places where students have gone in the past John Palmer Public School, Riverbank Public School, Childcare Centres, Carpentry, Building & Construction These are open now, you must register immediately

[Academy of Interactive Entertainment](#)

[GoIT Girls Program](#)

[NIDA](#)

[Sydney Living Museums](#)

[UNSW Engineering High School Work Experience Program](#) opening soon, keep an eye out.

[Engineering & IT Work Experience Program UTS](#)

Forensics Work Experience Years 9 to 11 with the Australian Federal Police

Applications are now open- Closes 9 April. **Done in the ACT.**

The work experience program is booked to run between 17 - 21 May and 29 November - 3 December 2021.

Expressions of interest are encouraged by completing the [Forensics Work Experience program application form](#).

Students must supply all of the requested information in full before the close of business on 9 April 2021

UNIVERSITY

Connect with teach.NSW

Students can hear current teachers share their experiences of receiving a scholarship and working in NSW public schools on the teach.NSW YouTube page. Follow teach.NSW on Facebook or Instagram (@teachNSW) to be notified when scholarships for future teachers open later this year.

UCAT Important Dates

Universities use this test to select applicants with the most appropriate abilities and professional behaviours required for new doctors and dentists. Applications are now open.

University of Sydney Undergraduate Guide 2022

We aim to instil the skills, knowledge and values you need to become a leader in a rapidly changing world. Our flexible degree structures mean you can find the right study path for you

Business Cadetships Now open for year 12s, applications close - Wednesday 26 May 2021. Guest Speaker will be at TPHS P5, 4 May in D:1:17

As a Business Cadet, typically you combine university study in Sydney with paid work at UBS or Barrenjoey Capital Partners in Sydney. The Business Cadetships Program allows you to choose the university where you will study and allows you latitude in your choice of degree program.

University Ratings and Rankings in Australia

The ratings that appear on this site were published in the 2021 edition of The Good Universities Guide. The ratings provide independent five-star performance ratings for every university in Australia, based on student-relevant criteria such as; graduate salaries, teaching quality, learning resources, graduate employment rates and much more.

[Introduction to Actuarial Science by the ANU](#)

The purpose of the course is to provide year 11/12 students considering an actuarial career with an interactive introduction to the profession. The course is FREE for all students.

[Webinar - All about Sydney – University of Sydney](#)

24 March, 2021. 4:00pm

This webinar is designed to give you a good overview of what it is like to study at the University of Sydney. We will cover everything from the degrees we offer, to the student experience, and how to apply. The webinar will consist of a short presentation followed by Q&A.

[Webinar - Admission Pathways to the University of Sydney](#)

31 March 2021. 4pm

There are often more than one way to gain entry to your dream course at the University of Sydney. If you are interested in exploring your options, please join us for this webinar where we will talk you through the various entry schemes and admission pathways that we offer.

[University of Sydney Tours of the Con](#)
