

THE Ponds REFLECTION

Issue number 6
month April
year 2021

PRINCIPAL'S REPORT

Welcome back Term 2

Welcome back to everyone and a massive thank you to our General Assistants: Peter, Kyle and Bob. They toiled hard on gardens and managed a plethora of trades: finishing air conditioning, fixing electrics, painting, gardening and general maintenance. Thank you boys, the grounds look great!

Anzac Day

When a Year 12 student came up to me to tell me this was the most patriotic moment she had experienced since being in this country, I was thrilled that the livestreaming was so successful. She said being in a small group was amazing and was especially proud that students sang our Anthem. A meaningful ceremony was organised by Ms Caramancion, Mr Sikahale and assisted by Ms Tidmarsh. Year 7 and 8 attended the ceremony live and the rest of the school had it livestreamed into their classrooms. Student Leaders and Alexi from Year 8 gave reverent speeches suitable for such an important day.

Mr Bruce Shaw from the Riverstone RSL was the guest speaker who told us what ANZAC meant to him and how affected he was by the playing of "I was only 19" by Redgum. This is because he was in National Service and was called up to go to Vietnam when he was only 19 years old, just like in the song. He honoured all the men and women who have served their country in wars and conflict since the Gallipoli Campaign. He described the special qualities of the diggers, especially the mateship that assisted men and women get through and, on this 106th anniversary of the Gallipoli Landing, he asked us to continue looking after each other.

Laying wreaths were Mr Phill Evenden from the Castle Hill RSL, Mr Kevin Connolly Member for Riverstone, Ms Louise Butler representing The Ponds Rotary Club, Mr Roland de Pree TPHS President of the P&C Association and Mr Grant Rimmer Rel. Principal, with School Captains Dhanya and Jack from Year 6 at Riverbank Public School.

I also had the pleasure of attending Riverbank Public School's Anzac Ceremony on Thursday and was impressed with the speeches, the choir and the students who laid the poppies each one representing their class. I thank them for the opportunity to share that experience with me.

Sending love to India

At The Ponds High School we have many families who have friends and family in India. The whole world has watched as Covid cases in India grew to 362,000. This week unfortunately lack of oxygen and vaccines have impacted the number of cases and deaths. We would like to send love to all our families who have contacts in India who are struggling in this pandemic.

High Achievers and Value Added

In the holidays I had the pleasure of reading the reports from Year 12. It was excellent to see so many high achieving individuals and this bodes well for HSC success for these students. I was especially impressed with the number of students whose grade point average rose considerably from 2020 to 2021. For this reason another recognition event was added to the celebration.

Please congratulate all the students below for their Academic excellence (High Achievers) or their Academic growth (Value Added) as a result of persistence and application.

High Achievers:

Amrit, Anika, Assad, Chelsea, Dilmi, Eliana, Faraaz, Hajeera, Harkanwar, Kunj, Mariam, Milana, Mishaal, Mithil, Muneeza, Owen, Prakhar, Ruhi, Surya, Tijil and Zanin.

Value Added Achievers:

Aaroshi, Anna, Caleb, Daniel, Domenic, Emily, Ethan, Farah, Hareem, Hayley, Ipsa, Laila, Lauren, Madison, Mitchell, Mustafa, Ranudi, Ryan, Samar, Srishtijit, Taj and Waneia

Attendance

The Ponds High School Plan, 2021-2024 has specific attendance targets. For parents it is not what the targets are but why the targets are that matter. In this newsletter is the advice on attendance for parents is included. This advice stresses that realisation that attendance every day is important! On hot days, cold days, windy days, rainy days, last day of term days and sports carnival days and the day-after-a-big-family-event days. As parents we directly and indirectly influence and shape our children's attitudes towards school and learning.

Extracts from the *Education Act 1990* state that it is the duty of the parent of a child of compulsory school-age to cause the child: to be enrolled at, and to attend, a government school or a registered non-government school.

If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.

All students who are enrolled at school, regardless of their age, are expected to attend that school whenever instruction is provided.

Parents are required to explain the absences of their children from school promptly and within seven days to the school. An explanation for absence must be provided to the school within 7 days of the first day of any period of absence.

It is acknowledged that in the time of COVID we all have been asked to remain away if we have a sniffle so as not to spread any germs, to wash our hands and remain a safe distance from those who have a cold.

It is understood that this will interfere with our attendance data in a negative way, but the ban on international travel has a positive impact on attendance data as families remain in Australia to celebrate holidays.

5 Reasons why you should come to school every day

1. Learning takes place every day at school. (Just think of the advantage of a Year 11 public school student who attends to 17 December compared to other systems that break up on early December..... 14 more days learning!)
2. Interaction with other people increases our social skills, cements relationships and learning. Developing the ability to think and feel with and alongside others.
3. Catching up on missed learning is more difficult and needs to be achieved in isolation.
4. Routines are good for all of us. Get into class by the end of the song!
5. Knowing what you do and do not want to know... testing it out and eliminating the things you don't want to do "When you grow up".

Here is the attendance report from The Annual Report for 2020, just published on our website.

Student attendance profile

School				
Year	2017	2018	2019	2020
7	95.9	94.1	93.1	94.9
8	93	92.8	90.5	93.7
9	93.7	90.1	90.8	91.7
10		90	88.1	92.2
11			90.2	93.1
12				93.4
All Years	94.3	91.9	90.7	93.2
State DoE				
Year	2017	2018	2019	2020
7	92.7	91.8	91.2	92.1
8	90.5	89.3	88.6	90.1
9	89.1	87.7	87.2	89
10		86.1	85.5	87.7
11			86.6	88.2
12				90.4
All Years	90.8	88.7	87.9	89.6

NSW student attendance data in 2020 is not comparable to previous years due to the effects of the COVID-19 pandemic. The NSW Government encouraged students to learn from home, where possible, for a seven week period from 24 March to 22 May. During this period, schools monitored engagement with learning to determine whether students were marked present. This changed the attendance measure. There was also some evidence of varied marking practices as schools adjusted to the learning from home period, with some schools recording higher attendance rates while others recording markedly lower rates.

Look at the following lyrics and reflect on what you want your children to be. For me it was about keeping doors open and giving them opportunities. My boys did sport, dancing, musicals, clubs, leadership, more sport, Boys' group at CHHS and more. I believe regular attendance made them more knowledgeable, more resilient, more connected, more brave, better friends and better people.

Here is my challenge to all parents. Next time your child says "I can't go to school today.." think of 5 reasons to say no unless they are genuinely ill.

1. From Matilda (Tim Minchin) When I Grow Up

*"And when I grow up
I will be smart enough to answer all
The questions that you need to know
The answers to, before you're grown up"*

2. From "When I grow up" by NF
<https://www.youtube.com/watch?v=lxRwEPvL-mQ>

Yeah, when I grow up, you know what I wanna
be?
Take a seat, let me tell you my ridiculous dreams
I wanna rap—yeah, I know it's hard to believe
And I can tell you're already thinkin' I will never
succeed
But I'm okay with it, I admit the lyrics are weak
I've been workin' on 'em, I'll be good eventually
I understand you gotta crawl before you get to
your feet

P&C

All parents are invited to attend our P&C meeting on Monday 3 May at 7.15pm in the Library. The topic presented by Mr Brad Cook is the new School Plan and what we hope to achieve in the next 4 years. This is very exciting, we have built ... now we consolidate and improve.

We welcome all parents' comments and would love to see you there on the evening.

Parent/Teacher Night Stage 5

Thank you to parents who attended our second Parent/Teacher Evening on Tuesday night. The hall was very busy and some teachers were booked out.

Parents spoke favourably of both being back in the school and the organisation for the evening.

Next Tuesday 4 May is Years 8 and 9 Parent/Teacher Evening. Make your bookings as soon as possible and we will see you there.

NOTE TO PARENTS ONLINE PAYMENTS

2021 Statements will be issued within the next week.

It has been great to see so many parents using the school's secure Online Payment System which is streamlining payments and saving parents' time.

Payments can be made using either a Visa Card, Master Card credit or debit card.

Payments can be made through our website:

www.theponds-h.schools.nsw.edu.au

by clicking on "Online Payments", then clicking on "Make a Payment".

Late payments can affect cut off dates/times for events. If a **payment is made after 6pm the school will not see that payment until the second business day**, ie: payment made at 7pm on Monday evening will not be on the report for the school to access until Wednesday morning.

Payment for an activity or excursion does not constitute permission to participate. Permission notes are still required for relevant activities and must be handed into the Student Window at the School Front Office before the cut-off date, otherwise your child will miss out on the excursion.

IMPORTANT DATES

2021

TERM 2

Week 3

Monday 3 May

ANZAC DAY ASSEMBLY

NAPLAN Online 2021

The National Assessment Program – Literacy and Numeracy (NAPLAN) is a point in time assessment of literacy and numeracy skills that are essential for every child to progress through school and life.

Students in Years 3, 5, 7 and 9 participate in the annual NAPLAN tests in writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy.

Our school will be participating in NAPLAN Online between 11 and 14 May 2021.

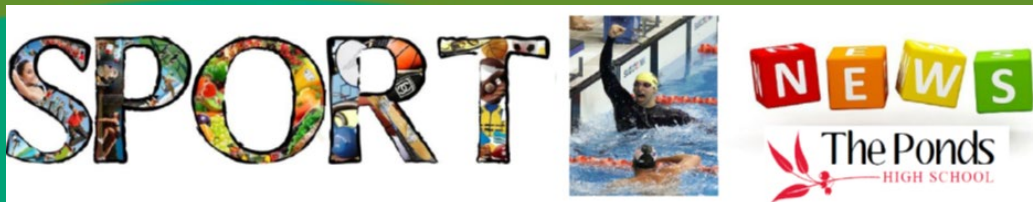

NAPLAN Online

	Tuesday 11/05/21	Wednesday 12/05/21	Thursday 13/05/21	Friday 14/05/21
P1	Reading Year 9	Writing Exam Year 7	Language Conventions Year 9	Numeracy Exam Year 7
P2	65 minutes (8:45 – 9:50am)	42 minutes (8:45 – 9:30am)	45 minutes (8:45 – 9:30am)	65 minutes (8:45 – 9:50am)
P3	Reading Year 7	Writing Exam Year 9	Language Conventions Year 7	Numeracy Exam Year 9
P4	65 minutes (11:10 – 12:15pm)	42 minutes (11:10 – 11:55am)	45 minutes (11:10 – 11:55am)	65 minutes (11:10 – 12:15pm)

Excessive preparation for NAPLAN Online is not recommended. Students can use the [public demonstration site](https://www.nap.edu.au/online-assessment/public-demonstration-site) (<https://www.nap.edu.au/online-assessment/public-demonstration-site>) to familiarise themselves with the types of questions and tools available in the NAPLAN Online tests.

If you have any questions about NAPLAN Online, please contact your child's teacher.

OPEN BOYS CRICKET KNOCKOUT

On Tuesday, April 27, The Ponds High School Open Boys Knockout Cricket team played against Parramatta High School in round 3 of the Alan Davidson Shield.

Batting first, Parramatta reached 7/171 from the maximum 40 overs with Robbie (11-9) taking 3-29. Despite early wickets falling, The Ponds middle order continued to score runs with Kabir (11-1) adding 55 valuable runs, ably assisted by Siddharth (10G) with 29.

The Ponds lost our final wicket on 164, an agonising 8 runs shy of victory. Parramatta will continue on to the Quarter finals of Sydney West division, while we will re-group and aim to progress further next year.

Congratulations to the Year 11 boys who have played their final cricket knockout match for the school. The team played the game in the right spirit and gave it their all in each match.

Mr C Burns

Cricket Coach

Celebrating Success

AUSTRALIAN OPEN KARATE COMPETITION

Riley (8.14) attended the Australian Open Karate competition on Saturday 17 April. The event was held at the Whitlam Leisure Centre at Liverpool.

Riley won the competition earning him a gold medal and the title of Australian Open Champion male 12/13 years under 55kg.

Riley competed in Kumite which is a karate fighting style. He had 5 people in his category from all around Australia. Riley had to fight 3 rounds and won each round with no other competitor scoring a point against him.

The style of Karate that is competed at this tournament was selected to be in the 2020 Olympics. Riley has been training with his dojo HMA Karate for the past 6 years and has worked very hard to achieve this result.

Creative Writing Workshop

Characterisation, Plot & Setting

Blacktown City Council Library recently provided The Ponds High School with a free Creative Writing Workshop with the prolific and well-known author, Pamela Freeman, who also writes as Pamela Hart.

Ms Freeman explained the importance of developing characters, setting, and plot well before an author even begins writing a story and she provided some strategies to help student writers with this process. As a group, students came up with a range of intriguing characters, compelling plot events and settings on Earth and beyond and then, via a 12-sided die, the stories started coming together.

Freeman spoke about her 'apprenticeship' in writing through her role writing for ABC Kids and she encouraged students to write regularly and often to develop their craft.

A few students in the group are writers of fanfiction and Freeman explained that she too, was a fanfiction writer and that also helped her hone her writing skills.

A big thank you to Blacktown City Council Libraries, and Pamela Freeman for providing the workshop and an even bigger thank you to the students who attended, for their engagement and contributions.

Zine Making

During Term 1, Makers Hub (lunch time on Tuesdays) students embarked on zine making. We used A3 sheets of paper and with a few folds and a few cuts turned each sheet of paper into an 8-page zine. Students were free to choose the contents of their zines – some chose to illustrate, find images, collage photographs, and they also wrote short articles. Each student should be proud of their planning and creativity.

This term, Makers Hub is focused on the natural environment with some nature journaling. Students will be encouraged to notice their environment and take records of what is happening in the natural world. Pocket sized sketch paper, and materials will be provided.

Poetry Competition

Red Room Poetry in collaboration with The Australian Botanic Garden in Mount Annan introduces the Poem Forest Prize. Students are invited to write a poem inspired by the natural environment using words for positive climate action. For every poem entered a native tree will be planted in the Australian Botanic Garden. To enter students should read the poems commissioned for the prize and the Learning Resource (links below). The poem needs to be 20-lines in length.

For more information, please see the poster on the 'Competitions' noticeboard in The Learning Hub or visit the following webpages:

The Poetry Forest Commissioned Poems:

<https://redroompoetry.org/poems/?project=poem-forest>

The Poetry Forest Learning Resource:

CAREERS

Year 10 Work Experience

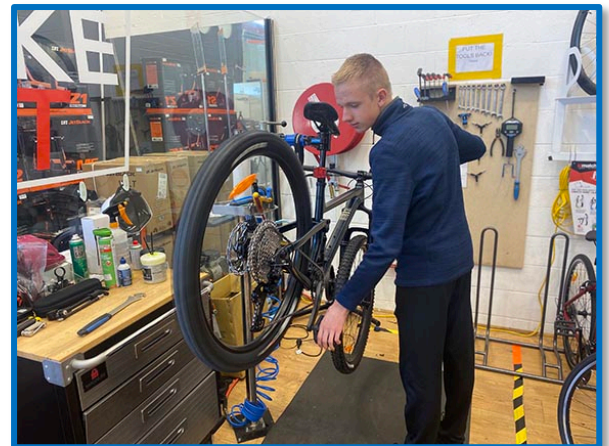

Some of our Year 10 students have completed some very interesting work experience.

Kiera from 10J at Architectural Design Machette/Model making at Grimshaw Architects office

Blacksmith's workshop Everleigh Works with Artist Uncle Badger Bates and his work in progress hand forged steel gates

Alex from 10G at 99 Bikes.
Loving working and learning all about bikes.

Year 10 to 11 Subject Selection

This week in Careers classes we've been researching post high school options. We've used the Job Jump website which has an incredible amount of information to assist students in finding out how their interest areas and skills can translate to a rewarding job.

Next week, we'll be starting our journey through the information needed for further education and to assist the students in their Subject Selection for the senior years. Please keep an eye out for updated info re: 1 June Subject Selection Evening.

This week we've had 5 students completing Work Experience. They have chosen IT, Architecture, Building & Construction and Retail. Well done to those students. We strongly recommend that students organise their Work Experience weeks for weeks 8 or 9 this term. All the information needed and a step-by step guide can be found on CANVAS Module 3. Parents, please assist as this is the best time for the students to complete this mandatory activity.

UNIVERSITY

[Online Guides from the University of Sydney](#)

The University of Sydney has Undergraduate, Year 10, Aboriginal and Torres Strait Islander Guides available online now.

[University of Sydney Year 10 Guide](#)

To get into some of our courses, you will need to choose certain subjects in Years 11 and 12, which are prerequisites, also assumed knowledge subject requirements to consider in your subject selection.

[University of Sydney Undergraduate Guide 2022](#)

Discover what makes us different, and become a leader in a rapidly changing world. Our flexible degree structures mean you can find the right study path for you.

[University of Sydney Aboriginal and Torres Strait Islander Guide 2022](#)

Discover our range of programs dedicated to supporting Aboriginal and Torres Strait Islander people who dream of studying here, and start your journey to Sydney.

Law Undergraduate Information Webinars

[12 May 2021. 5.30pm](#) Want to experience UTS Law on campus? Please also register for our Undergraduate Information Evening [19 May 5.50pm](#) - a networking session with our key staff and students, offering the opportunity to see our new state-of-the-art facilities at UTS Central. Whether you are a high school student or parent join us at this information evening to experience UTS Law.

[UTS - Behind the Scenes @ Animal Logic Academy](#)

On Wednesday 5 May 2021, 6pm, the UTS Animal Logic Academy will be offering an on-campus exclusive to visit the Animal Logic Studio. Book your session today to hear from our expert academics and current students about what it's like to study at the UTS Animal Logic Academy and see current projects that are underway!

[Intro to Electronic and Electrical Engineering at UTS](#)

12 May 5.30pm Register today for our live webinar to gain an insight into what electrical and electronic engineering is all about and find out if it's right for you. Hear from key academics about what it's like to study electrical and electronic engineering at UTS and how best to prepare.

[Discover what Flexible Engineering at UTS is all about](#)

17 May. 5.30pm. Not sure which engineering major to choose? The Flexible Engineering course is just that - flexible! Once you've completed core engineering subjects, choose a major or choose your own blend of compatible subjects.

[What is ADFA ?](#)

Receive service training while studying for your degree, earn a salary while learning, and graduate with a rewarding job and no HELP debt. Forged from a unique partnership between the ADF and the University of New South Wales, the Australian Defence Force Academy offers world-class education plus cutting edge military and leadership training. [ADFA Virtual Tour](#)

[Naval Ship Building Webinar Videos and Careers](#)

There is a career path to suit everyone in the naval shipbuilding industry. More than 15,000 jobs are expected to be created in Australia as part of the continuous Naval Shipbuilding Program over the next 50 years.

<https://www.navalshipbuildingcollege.com.au/careers/>

[ACU Short Courses](#)

Select from a range of online short courses to support anyone. They are committed to helping you take positive steps towards a bright future. Register your interest below and they will keep you updated as their courses develop.

[Aboriginal and Torres Strait Islander Information Evenings](#)

The Aboriginal and Torres Strait Islander Info Evenings at Western are an opportunity to learn about the different pathways to study, the support services available, scholarships on offer and life on campus. For dates and details visit:

[The Aboriginal and Torres Strait Islander Pathway Program](#)

The Aboriginal and Torres Strait Islander Pathway Program is an alternative entry pathway. The program will be delivered virtually with required assessments and interview component completed online.

[Pre- Uni Confidence Booster Advice – 5 Tips](#)

Practical tips for senior students.

COLLEGES

[Event Foundation Online Course](#)

6 weeks online. A new program from College of Event Management. Ever wondered what an event manager actually does? This short course is designed for those who might be considering event management as a career option.

[RSA Online NSW](#)

This course offered by BarMax, and fully accredited by both ASQA and Liquor & Gaming NSW provides guidance in responsible behaviour to maturing adolescents and includes the cost of their Photo Competency Card.

[Endeavour – Studying Remedial Massage](#)

5 May. 12.30pm. You'll receive support every step of the way – from enrolment to your first few weeks to exams to the moment you graduate. Join us at this webinar to see just what's available to you.

[Endeavour – Transition to Tertiary](#)

5 May 6pm. Are you interested in a future in natural health? This webinar is for you. We'll cover everything you need to know about our courses, enrolling, fees as well as student life to equip you with the knowledge to smoothly transition into higher education.

[Endeavour. How to Enrol](#)

6 May 11am. Our interactive webinars are a perfect way to find out more about our courses, the enrolment process as well as what it's actually like to study at Endeavour College of Natural Health.

[Sport or Dance - Australian College of Physical Education ACPE Early Entry](#)

Start your studies sooner with online intakes at ACPE. If you are looking to turn your passion for Sport, Health, Education or Dance into a career, an industry-recognised qualification from ACPE will give you the foundation you need.

TAFE

[TAFE - Scholarships for Australian students](#)

Everyone deserves the opportunity to explore their talents and to fulfil their potential. Every year we award hundreds of scholarships to our students, so make this year your year to be rewarded.

[NECA Electrical Practice Tests](#)

NECA have put together resources to help Students prepare for Aptitude tests in the electrical Industry.

To be an electrician requires you to be able to make calculations relating to electrical design. It is important to have

a good understanding of sums, algebra, geometry and trigonometry. Working with Electrical can be hazardous when miscalculations occur. Practice Tests: <https://bit.ly/3dG3uTu> <https://bit.ly/2Us6r2p>

[Traineeship and Cadetship from Transport for NSW](#)

Transport for NSW is running various traineeship and cadet-ship programs throughout the year where they target school leavers and mature candidates who love to join their road design, survey and civil construction space. Traineeships are run in conjunction with TAFE and Western Sydney University, where successful trainees will complete their Certificate III, IV and Associate Degree as required.

GENERAL

[How to become a Chartered Accountant](#)

Becoming a Chartered Accountant (CA) could set you up to thrive in business in different parts of the world. It's a highly regarded professional qualification with international recognition. CAs can work in a wide range of exciting and challenging careers.

[Where Being a Chartered Accountant Can Lead You](#)

Want to work anywhere in the world? The CA designation could be your passport to an international career. Want to be in demand by top companies? Improve your chances of being head hunted by top employers throughout your career.

[Youtube - Connect with teach.NSW](#)

Do you have questions about teaching careers with the NSW Department of Education? Go to the teach.NSW YouTube page at the link below. You can also follow teach.NSW on Facebook or Instagram @teachnsw to be notified when scholarships for future teachers open later this year.

[Take the Forensics Quiz and See Which Forensics Scientists Are You](#)

There are more career possibilities in forensics than you might think. Take our quiz to see which branch suits you.

[Cyber security careers: Live webinar recording](#)

In this webinar, we highlight the diverse and sometimes surprising pathways into cyber security careers, bust myths around what it means and looks like to work in this crucial sector, emphasise the importance of non-technical skills and meet real-life cyber professionals with inspiring career stories.

[Your plan to become a Psychologist](#)

The best parts about a career in psychology. Things to consider before studying psychology. What do psychologists do? How to become a psychologist. Where are the courses? How much money do psychologists earn?

[Practice Tests for Cabin Crew Entrance](#) Used by International Airlines

Are you fully prepared for the cabin crew recruitment process? Luckily, we've sat through many of these online cabin crew exams and know exactly what international airlines are testing candidates on. With that knowledge, we've created a series of bespoke practice tests to help you prepare for the cabin crew application tests.

[On-Line Study - Do's and Don'ts](#)

If you think online study means attending classes in your pyjamas and harbouring snacks at your side while you study... then yes - you can absolutely do that.

[Download industry-suggested school subject selection flyers](#)

Download industry-suggested school subject selection flyers for Years 9-10 and 11-12 that will help students gain an apprenticeship or traineeship. The Apprenticeship Engagement Forum has just added Electrician and Refrigeration & AirCon Technician to the AEF's other 11 flyers.
