

THE ponds REFLECTION

Issue number 7
month May
year 2021

PRINCIPAL'S REPORT

Welcome back the end of Week 4. Please enjoy highlights from the last few weeks at The Ponds High School.

EID Celebrations

Thursday night marked the end of Eid-ul-Fitr, the month-long fasting period of Ramadan. The sighting of the full moon signals the breaking of the fast, it is a festival that celebrates selflessness and introspection. We hope all our families emerging from Ramadan enjoy this celebration.

TPHS Athletics Carnival (3rd try) - Thursday 20 May

We are hoping everyone has handed in their permission notes for the Athletics Carnival next week. We apologise that the Department of Education requests new permission notes for change of dates, however, this is the current requirement. Let's hope the weather is kind to us.

Year 8 and 11 Parent/Teacher Night

There was a large attendance from Year 8 and 11 parents who had a chance to engage with teachers regarding their children's progress so far this year. The response from teachers was that parents, students and staff communicated well to work together in improving the learning outcomes of students. In essence, this is what we aim to achieve from the Parent/Teacher Night.

Subject Selection Nights

Subject Selection Nights for Year 8 into 9 and Year 10 into 11 will occur on Tuesday June 1 at 5.15pm and 7.15pm respectively. It is extremely valuable for parents and students to attend to fully understand the subject patterns needed for each stage of learning. More information about this night will come out in the next 2 weeks.

Exams and Year 12 Revision Timetables

It is a busy time for students with assessments and exams and it is great to see students making use of our Homework Club to help them prepare. Please be supportive of them and encourage them to eat well, get some exercise, sleep and to prepare study notes or examples to assist them approach exams in a positive manner.

Year 12 students will receive a timetable for their trial examinations by the time the next newsletter comes out. This is a timely reminder to students and parents to have a conversation about how they are planning their revision for the exams. The end of term 2 is a busy time. Year 12 have assessments and are learning new content. A revision program starting midterm 2 is most valuable in preparing students for the rigors of the Trial HSC. If any student in year 12 would like help planning their revision, they can drop in and see Mr Scandizzo or Mr Fitzgerald who have been helping students write study planners over the last 2 weeks.

NAPLAN IS BACK

NAPLAN Online

This week over 750 students were catered for in the Year 7 and 9 NAPLAN Tests. Students sat tests in Writing, Reading, Grammar, Spelling and Punctuation, as well as Numeracy.

Despite minor technology glitches the exams were successfully completed. This year they form part of the school targets. Results will be shared in upcoming newsletters.

Uniform at TPHS

At The Ponds High School we pride ourselves on looking smart and professional. In 2020 we allowed black plain sweatshirts to assist families in financial difficulty. Since then a new red fleece option is available at the Uniform Shop – this is now the expectation.

Uniform blitz periods are taking place to ensure students comply with the uniform endorsed by the P&C Committee. If you need financial assistance, please contact Mrs Tracey Wilkinson at the school Front Office.

A reminder that ties for all seniors and junior boys is a uniform requirement.

NOTE TO PARENTS

UNIFORM SHOP NOTICE

Please send your student to collect online orders from the uniform shop as soon as you receive an email advising you it is ready for collection. We cannot call your child out of class to collect uniforms, they must come either before school (8am - 8.30am), recess or lunchtime. Alternatively, parents are now allowed back on site and can collect direct from the uniform shop.

ONLINE PAYMENTS

It has been great to see so many parents using the school's secure Online Payment System which is streamlining payments and saving parents' time.

Payments can be made using either a Visa Card, Master Card credit or debit card.

Payments can be made through our website:

www.theponds-h.schools.nsw.edu.au

by clicking on "Online Payments", then clicking on "Make a Payment".

Late payments can affect cut off dates/times for events. If a payment is made after 6pm the school will not see that payment until the second business day, ie: payment made at 7pm on Monday evening will not be on the report for the school to access until Wednesday morning.

Payment for an activity or excursion does not constitute permission to participate. Permission notes are still required for relevant activities and must be handed into the Student Window at the School Front Office before the cut-off date, otherwise your child will miss out on the excursion.

IMPORTANT DATES

2021

TERM 2

Week 5

Monday 17 May

Year 11 Work Studies Work Experience

Dear Parents / Guardians,

RE: AMT Australian Mathematics Competition

All students are invited to sit the Australian Mathematics Competition. It is expected that students in the GATS classes in Years 7 and 8 and students in the 5.3 course in Years 9 and 10 will sit the competition.

It is one of the world's largest mathematics competitions, with more than 15 million entries and students in more than 30 countries attempting the same problems each year. Entrants have 75 minutes to solve more complex problems which get more challenging as the competition progresses.

Entry fee: \$6.50, to be paid to the Front Office, preferably online.

Payment due date: Term 2 Week 8B Friday 11 June 2021

Competition date: Term 3 Week 4B Thursday 5 August 2021

For further information, refer to the Australian Mathematics Trust website:
<https://www.amt.edu.au> or contact your child's Mathematics teacher.

Kind regards,

Mrs Jenny Weal

Principal

Ms Silvia Fernandez

Head Teacher Mathematics

ENGLISH

Back to back wins for Stage 6 Debating Teams!

The Year 12 Debating Team: Anika, Dilmi, Zanin, and Milana, won their round against Blacktown Girls High School. The topic of their debate was *“Political advertising should be banned on social media.”* As the Negative, the girls were consistent with their attack of the Affirmative’s case. Teamwork and preparation facilitated their victory.

Similarly, the Year 11 Debating Team: Hanniyah, Bilvika, Momen, Aleena, Esha and Shivam, secured their victory against Glenwood High School. The topic of their debate was *“That government should give financial support to local news organisations.”*

As the Affirmative, the team argued that local news brings communities together and is an indispensable factor when fostering positive relationships. The Negative argued that large news corporations already fulfil this need. With multiple examples to support their case, the Affirmative effectively rebutted this point and went on to win their debate.

Both teams are entering the final rounds for Zone. The Stage 6 Debating teams would like to thank all the parents, teachers and the community for their continued support.

Sydney Writers Festival, a smashing hit!

Students across Stage 4 to Stage 6 attended this year’s Sydney Writers Festival on May 4 which was held at the Parramatta Riverside Theatre. A bus full of students had the opportunity to meet distinguished authors in the Young Adult fiction. They attended workshops on writing, the writing process and what it means to be a writer.

According to Ben in Year 7: *“It was fun meeting the authors.”*

Giovanna from Year 10 stated: *“It made me think about my own writing, the authors were very interesting”*

Rohan from Year 12 had this comment: *“It was a good day and we gained writing skills knowledge.”*

Mr Norris and Miss Hunt stated: *“It was good to see the students engaged in the various workshops to help them develop their writing skills.”*

Thank you to all staff and parents who made this excursion possible.

Mrs Rosylne Caro
Debating Coordinator

A way with words - Stage 5 take on The Plain English Competition

Year 10 student Harneet and Year 11 student Bilvika represented The Ponds High School at the annual Plain English Competition. The competition was held on May 4 at James Ruse High School.

This year the competition was back in its face-to-face format and was attended by local schools such as James Ruse Agricultural High School and The King's School. Although we did not advance to the next stage, both students performed well.

The feedback they received acknowledged the effort the girls had put into their speeches.

We would like to thank Mrs Dhaliwal for taking the girls to their competition and all staff and community members for their continued support.

The Ponds HS and Riverbank PS Collaboration

On Friday May 7, Samanya from Year 10 and Shravanti from Year 11 assisted the Riverbank Primary School team with their debating preparations. The girls provided mentoring and support for the next generation of debaters. Samanya worked with the Affirmative Team to create a model and practice creating rebuttals. Shravanti worked with the Negative Team to identify arguments and convert them into rebuttals.

At the end of the mentoring session, both girls adjudicated the debate between Riverbank Team A and Team B. Although the girls were still refining their adjudication skills, they provided relevant and useful feedback to the Year 5 and Year 6 students.

The Ponds High School Debating Team is looking forward to increased collaborations between the two schools.

Mrs Rosylíne Caro
Debating Coordinator

NSWCHS Diving Championships

Nicolas (9.5) recently competed in 5 separate events over two days at the NSWCHS Diving Championships where he performed 18 dives in total. He was crowned the State Champion in the 14 Year Boys Knock Out winning the Gold Medal and placed in 3 other events. Nicolas will now continue to NSW All Schools Championships later this month. Good luck!

NSWCHS Swimming Championships

A massive congratulations to all our students who recently represented Sydney West at the NSWCHS Swimming Championships. As one of our stronger sporting pursuits, it is great to have Benjamin (11.4), Dylan (8.9), and Davran (7.9) competing in the upcoming NSW All Schools Swimming Championships at Sydney Olympic Park Aquatic Centre. A superb effort, well done boys!

Championship results:

Name	Overall Place	Event
Makenze (7.8)	18 th	Girls 12 years 100m butterfly
Dylan (8.9)	13 th	Boys 12-14 years 400m freestyle
	12 th	Boys 12-14 years 200m individual medley
	5 th	Boys 12-14 years 400m individual medley
	24 th	Boys 14 years 100m freestyle
	6 th	Boys 14 years 100m breaststroke
Davran (7.9)	21 st	Boys 14 years 200m freestyle
	8 th	Boys 12 years 100m backstroke
	18 th	Boys 12 years 100m breaststroke
	9 th	Boys 12 years 4x50m relay
	5 th	Boys 14 years 4x50m relay
	7 th	Boys 17-19 years 4x50m relay
Elijah (8.10)	7 th	Boys 12-19 years 6x50m relay
	22 nd	Boys 14 years 200m freestyle
Benjamin (11.4)	12 th	Boys 14 years 100m butterfly
	4 th	Boys 16 years 50m freestyle
	3 rd	Boys 16 years 100m freestyle
	4 th	Boys 16 years 100m backstroke
Owen (12.1)	2 nd	Boys 16 years 100m butterfly
	15 th	Boys 17-19 years 100m breaststroke
	16 th	Boys 17-19 years 100m butterfly

6 X 50m Boys Relay: Hayden, Clayton, Benjamin, Talon and Dylan

14s 4 X 50m Boys Relay: Callum, Elijah, Oliver and Dylan

Open 4 X 50m Boys Relay: Owen, Joshua, Blake and Clayton

SCIENCE

YEAR 11 PENRITH LAKES EXCURSION

As part of a Depth Study on Introduced Species and Water Management, Year 11 Earth & Environmental Science students participated in an excursion to Penrith Lakes. We were treated to a tour of surrounding suburbs where we explored the carefully engineered streets and landscaping designed to channel stormwater into the lakes scheme where it is treated through a number of natural processes. It was fascinating to see the impacts of the March floods on the local ecosystem. On the day of our visit the lakes were closed to the public due to a blue-green algae bloom, additionally many of the lakes were becoming infested with the water weed *Salvinia* - both due to excess nutrients in the water as a result of the recent flooding events. Our visit to the river at Yarramundi revealed the impact of the rising river waters with many large trees ripped from their footings. Students are currently compiling a comprehensive report on the current management strategies and possible future directions of the site.

Mr Dean Ward

Head Teacher Science

It's a Digital World!

The fast pace of technological advancement has altered what it means to be a young person in the world. Students have a range of face to face interactions at school every day but now, if they are online, their virtual interactions are often just as numerous. It is clear that maintaining positive peer interactions in person is integral to student wellbeing but how do we best support our students in a digital environment?

The 'digital footprint' is a concept that you have likely heard about and at school we encourage students to be safe online by being careful about what content they are uploading, keeping their personal details private, and following expectations set by the school. The NSW Department of Education has some great resources that may also provide some support:

Tip 1 – Password security: encourage students to choose a strong password using a combination of letters, symbols, numbers and at least 8 characters.

Tip 2 – Don't fall for fake: remind students to only respond to emails from people they know and be careful of sharing personal information.

Tip 3 – Share with care: once something has been uploaded to the internet it can be difficult to remove so ask students to check with friends and family members before posting pictures of them online.

Tip 4 – THINK: encourage students to be aware of their online interactions and to THINK before posting – is it True, Helpful, Inspiring, Necessary, Kind?

Tip 5 – Talk it out: remind your student to ask for help if they feel unsafe or worried about a friend.

For more information see the Digital Citizenship resources here: <https://www.digitalcitizenship.nsw.edu.au/>

Miss Kira Bryant

Teacher-Librarian

CAREERS

Year 10s are currently working on the **Subject Selection** process in preparation for the Subject Selection Evening on Tuesday 1 June. We have invited several service providers for you to speak with and collect information brochures. Parents will receive further information soon. Keep an eye out.

Work Experience: Please encourage your students to get this ready, some good dates are during weeks 7, 8 and 9 this term. Make sure you check the Assessment Handbook and calendar for other dates specific to your student.

Western Sydney Careers Expo 24 June. We have over 250 students from years 10-12 attending this Expo at Olympic Park. We apologise if you missed out on getting a spot on the excursion as we reached maximum capacity. You can purchase tickets on the [website](#) and attend at your own leisure.

UNIVERSITY

Year 12s:

Reminder - [UNSW Law Admission Test](#)

The Law Admission Test (LAT) is a professionally designed and marked selection test developed to assess the types of aptitudes and skills that are critical to success in the Law program at UNSW Sydney. [Youtube clip](#)

University of Newcastle - [Jobs of the Future](#)

JobOutlook has compiled a list of [high growth careers](#) where employment has grown strongly in recent years and is projected to continue growing. These are: Aged and Disabled Carers, Registered Nurses, Child Carers, Welfare Support Workers, Software and Applications Programmers, Management and Organisation Analysts, Accountants, Primary School Teachers, Secondary School Teachers, Education Aides

UTS - [Be eligible for 10 Adjustment Points to Women in Engineering IT and Construction](#)

If you're female and have applied for selected engineering, information technology or construction project management courses, you're eligible to receive 10 adjustment points. These adjustment points are automatically applied (no additional application required) and contribute to your selection rank.

UTS - [Up to 5 Adjustment Point for Work Experience](#)

You may be eligible for up to five adjustment points if your work experience relates to the course you are applying for. Complete the employment question in your UAC application so your work experience can be considered for specific courses in: Engineering and IT, Business or Science.

[The best universities for computing and information systems](#)

There are 386 undergraduate computing and information systems degrees listed on The Good Universities Guide. We looked at which ones performed best in learner engagement, teaching quality and full-time employment.

[ACU Guided Tour Day Dates](#) - Explore Your Campus

Guided Tour Day is your chance to find out everything you need to know about studying at ACU before you enrol. You'll be able to check out the campus, meet staff and students, discuss entry pathways, and talk to experts about your study options and career goals.

[Campus Tours Western Sydney University](#)

One hour guided Campus Tours are kicking off in June with a range of times and dates available. Prospective students, their parents and families and the public can visit Western's world class facilities and hear about the various courses and degrees Western offers.

Western Sydney University - [The College](#)

The College is the official pathway provider into Western Sydney University. Complete a pathway program at The College to go into your second year at Western. Applications are now open.

[University of Sydney - Aboriginal and Torres Strait Islander Programs](#)

Monday 28 June to Wednesday 30 June. We design and deliver programs to build educational confidence and motivation in Aboriginal and/or Torres Strait Islander students, providing support to access and succeed in higher education.

[The Winter Program](#) is an intensive week-long digital academic opportunity, designed to prepare Aboriginal and/or Torres Strait Islander Year 12 students for their final exams and equip them for their journey into higher education.

COLLEGES

Reminder - [NIDA Open Day](#)

12 June Experience NIDA. Attend a talk, take a tour, watch never-seen-before videos of student projects, try a NIDA class! Must register to attend.

[ICMS Scholarships and Sponsorships](#) – Business Management, Events, Hospitality, Tourism, Sport

A variety of scholarships are available.

International College of Management, Sydney Campus Virtual Tours

<https://www.icms.edu.au/future-students/student-experience/virtual-tour>

[Sydney Design School Information Sessions](#)

Wednesday 9 June 2021 6pm, 40-minutes duration

Find out everything you need to know about our flexible courses and career support. Our Director, Amanda Grace will introduce you to our unique philosophy, passionate Educators and industry focused approach to learning.

[Interior Decoration Workshop](#)

30 June & 1 July. If you love interiors magazines and beautifully styled spaces, this fun two day workshop is for you. It's perfect for any interiors enthusiast who wants to decorate their home with skill and confidence.

[Becoming a Pilot: Course Information Videos Now Available](#)

In these times of social distancing, interested students and parents can now go online to watch two videos which describe the process of becoming a qualified pilot at Sydney Flight College.

TAFE

[TAFE NSW student support helping students focus on studies and training](#)

When you study at TAFE NSW, you're never alone. You can get help and assistance with nearly every aspect of your study life, from study support and student resources, to counselling, guidance, and help finding jobs or accommodation.

GENERAL

Permanent Firefighter Recruitment 2022

Applications for the next Permanent Firefighter Recruitment intake will commence in or around July 2022. We're looking for people with different skills and capabilities, outside the 'traditional' role of a firefighter, who want to join a team that's prepared for anything. At Fire and Rescue NSW (FRNSW) we do more than fight fires. <https://www.fire.nsw.gov.au/page.php?id=2> Key Dates here: <https://www.fire.nsw.gov.au/page.php?id=9066>

Join the NSW Community Fire Unit Program

A Community Fire Unit (CFU) is a team of local residents living in urban areas close to bushland who are supported by Fire & Rescue NSW (FRNSW) to enhance their safety and resilience to bushfires. As a volunteer CFU member you will learn how to prepare yourself, your family and your home ahead of the bushfire season. If you are 16 or 17 years old you can join a CFU if your parent or guardian is also a member of the CFU. <https://www.fire.nsw.gov.au/page.php?id=133>

[Taronga Zoo Student Photo Competition – Wild Snaps](#)

Competition end: Friday 4 June 2021 at 3pm

Simply take a photo with a mobile phone, camera or other photo device of wildlife that is local to you. Whether it's a tiny insect on a leaf, to a kangaroo spotted on a walk, grab a camera and get your best snap!

[Learn at Taronga](#)

Students from all levels can study, explore and be inspired by our growing team of scientists, researchers, educators and keepers as they pioneer solutions to save species from the brink of extinction.

[Discover your Path to Physiotherapy](#)

Physiotherapists play an important role in keeping people moving, whether it be for maximum performance in athletes and people with chronic health conditions. They also have an impact on patients who require rehabilitation after events such as surgery or a catastrophic accident. It can be rewarding to see patients reach their goals.

Bright Awards

Closes 15 November 2021

A celebration of creative Year 10-12 students, the Bright Awards recognise up-and-coming designers and support the future of the arts in high schools across Australia. Whether you're just tapping into your talent or keen to show off your well-developed skills, Billy Blue College of Design's Bright Awards give you the chance to have your work recognised by industry experts. Plus, monetary prizes for both students and schools go towards kick-starting creative dreams.

<https://www.torrens.edu.au/studying-with-us/why-study-with-us/student-showcase/bright-awards>

[ACMF National Song Writing Competition](#)

Our annual ACMF National Song Writing Competition is a nationwide initiative designed to encourage creativity and self-expression through song writing. Every year, students from schools across Australia are invited to put pen to paper and enter their original song. Winners receive prize-money which can be allocated towards musical equipment or tuition.

[Defence Forces Army, Navy, Air Force Information Sessions](#)

There are regular meetings held across NSW on all areas of the Defence Forces. Keep a watchful eye on this site for events closest to your city.

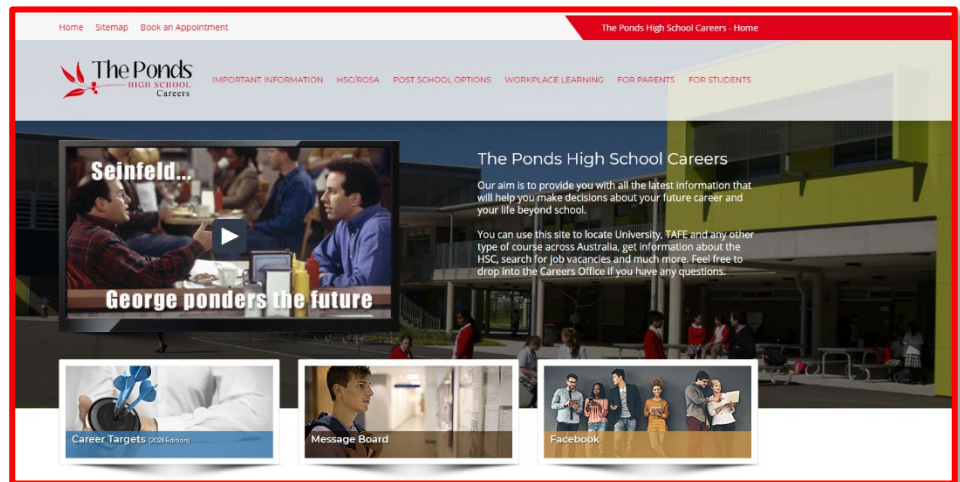

[NSW Police Recruitment Information & Practice PCT Session](#)

Note: You must be 18 years of age to attend this event

The Ponds High School Careers Team

YEAR 13 EXPO

Year 13 Expo is designed to help you find your passion and plan your future. It is a series of online sessions from over 30 speakers and information from over 100 exhibitors.

Sessions can be attended live or can be watched on-demand if you are unable to make the session. Find out employment information from a range of experts including apprenticeship providers, small and medium business owners, big brand companies, internships and graduates/ cadetships. Experts in a range study options will provide you with guidance about TAFE & vocational offerings, universities and university pathways, private colleges and residential colleges. There are even information providers about travel opportunities for a GAP year.

To be involved in the Year 13 Expo you will need to create an account.

To do this you need to go to <https://year13.com.au/register> and register.

If you have any questions or need any further information please come and see a member of the Careers Team or the Learning and Support Team.

MAY 17 - 19

uni 2 beyond FOR DISABILITY

uni 2 beyond is an innovative and award-winning social inclusion initiative for people with intellectual disability who want to experience university life. Through uni 2 beyond, participants are supported to take part in university life as audit (non-enrolled) students. uni 2 beyond supports each participant to make social connections through a mentoring program and to work towards individual learning outcomes. As non-enrolled students, uni 2 beyond participants do not pay tuition fees to the university.

uni 2 beyond aims to build the capacity of people with intellectual disability in the areas of social and community participation, relationships and lifelong learning. uni 2 beyond does this by offering its participants an individualised program, which includes:

Facilitated social inclusion activities on the university campus
Peer mentoring for social and community participation and learning

Opportunities to join university clubs and societies, for social engagement with peers and lifelong learning
Auditing of university lectures and tutorials in areas of personal choice and interest
Person-centred planning

Support to work towards individualised learning outcomes that suit each person's strengths and interests
Internship opportunities to enhance work skills and confidence as well as social and community participation.

If you are interesting in doing uni 2 beyond, email ods@ods.org.au
