

# THE ponds REFLECTION

Issue number 16  
month October  
year 2019

## Deputy Principal's Report

Week 2 of Term 4 already? How the year has flown. This is the big term for students and staff alike. Junior students will be sitting a variety of end of year final examinations that will be the culmination of this year's work. The results of these examinations will provide valuable feedback to their teacher on student progress, the quality of programs and guide future directions for each faculty. In order to support students through this examination period, they will be undertaking a variety of class based activities designed to refresh their skills and focus their energies on studying. Further support is available through the Homework Club in the Library after school.

Friday 18 October saw our first Diwali Festival and what a night it was! Some 900 people enjoyed the event which included Mamma Mia's Mobile wood fired pizzeria, Castle Taj Indian stall and Mr Softy's Ice Cream truck. Also we had a robotics stall, henna painting and sparkler zone.

The most popular part of the night were the performances on the main stage. We saw some traditional Indian dancing, more modern Bangara styles, some interpretive dance and a few songs were sung by students and staff alike. The entire event was organised by students from the Multicultural Team who were guided by Ms Fong from the CAPA Faculty. Well done to all those students and Ms Fong for organising such an excellent event. See the photos on pages 5 and 6 of this newsletter.

Hopefully this will be the start of annual event.

## UNIFORMS

Term 4 is also the start of summer which means students should now be wearing their summer uniform. Just a reminder that if a student is out of uniform three times in a fortnight they will receive an after school detention and a Level.

If there are any issues with your child's uniform, please provide a note with a short explanation or contact the school directly. There is a small amount of good quality second hand uniforms available through the Front Office.

## TRUANCY POLICY

At the end of last term and continuing this term, we are trialling a new truancy check system. Truancy can be defined simply as "wrong place, wrong time". If a student truant an entire period they are marked as truant on the SENTRAL roll marking system. This is then followed up the next day by our Truancy Monitor.

Any student who has truanted is given an after school detention and a Level. Continued truancy may result in further action being taken. While truancy was not a major issue at the school, this new system has tightened the process and we have seen a drop in one off truancy since the program began. The trial will be reviewed at the end of the year and refined further to ensure our students are in class and engaged.

## SCHOOL IMPROVEMENTS

Seating has now been added to the Year 11 lunch area.

This year during the entire month of November, staff at TPHS will be getting involved in Movember. Globally, every minute, a man dies by suicide. In Australia, 75% of suicides are men.

### What can we do?

Grow a Mo' and start the conversation. People in the Ponds Community are encouraged to head to this web address & donate to TPHS's campaign.

<https://mobro.co/thepondshighschool>

## HIGH ACHIEVER MORNING TEA

Congratulations to the top 19 students who were invited to the High Achievers Morning Tea after the conclusion of their Year 11 courses. This grade point average was a result of a combination of their grade from all subjects and was not moderated due to subject choice. The top achievers are: Rayman, Mia, Nathan, Aryan, Georgia, Wayna, Caleb, Holly, Jeramie, Lara, Harsh, Sachveer, Yashdeep, Areej, Scott, Ajreen, Aleeya, Benjamin and Sanaa.

We are holding these morning teas at every Year 11 and 12 mile stone to recognise effort and achievement and to encourage healthy competition. Someone will be the inaugural DUX of The Ponds High School.

## P&C MEETING

As promised the **next P&C will focus on Year 11 results** and what this means. All parents with questions are invited to attend. Ms Isakov, Stage 6 Head teacher and Mrs Weal will present some data from exams. We will report and outline how we will use this to move students forward. This is valuable for all parents from Year 7-12 to understand what Year 11 results look like and how the school can use data to improve student outcomes.

Looking forward to seeing you all there on Monday 28 October at 7:15pm in the Library.

## YEAR 12 STUDY SKILLS

In order to get Year 12 off to a good start, we kicked off the term with two days of study skills. Students were divided into nine groups and cycled through a series of workshops which included: note taking, study techniques, writing for the HSC, time management, managing stress and exam technique. A special thank you goes to Mrs Akrong and Mr Ruckendorfer for organising the whole day and a heartfelt thank you is extended to all those teachers who presented their workshop over the course of the two days.

Students report that the workshops helped them realise the demands of the HSC and they have started their courses more focused.

## LEADERSHIP TRAINING DURING THE HOLIDAYS

Over 40 student leaders from Years 7 to 11 attended the holiday workshop to increase their leadership capacity. All students worked with the High Resolves Team to think about the issue of reducing global emissions while keeping the global economy thriving. Groups had to adopt a country and role play they were at the World Forum. Teams had to agree to emission cuts and argue on the world stage what they were prepared to do and then calculate the impact on their country's economy. Wrap-up included an evaluation of the stance individuals took and reflection as to their leadership style. The best take-away was that all students had to reflect on their own role in the debate and how that affected their country. The "I resolve to..." Points were great and showed that students benefitted from this workshop.

The afternoon session run by student and teacher leaders focussed on upcoming experiences to raise spirit and student participation. Each portfolio team relayed their status on activities. It is so exciting that one of the initiatives that has come from the students – DIWALI NIGHT – occurred on Friday 18 October. What a great night to involve the community and get people to come and see our school. Thank you to the students in the Multicultural Team and all the other helpers.

Ms Fong we celebrate your commitment to students, the community, to excellence and student voice. Please thank your team of helpers! It was great to see Ms Jay, Ms Raghu and Mr Hathi performing. This is truly INSPIRED LEARNING in action, we are "Inspired to Promote our Culture" a very important message in multicultural Australia.

Next is the Halloween fund-raiser, a joint CAIT and Social Justice Initiative. Students can enjoy the splash of orange or black on the day, buy a donut and watch the Halloween film next Friday night.

The student leaders have also organised a Christmas Year 12 fundraiser. The Environmental Team have gardens beds, a clean-up program and rewards for recycling program organised.

Those leaders who did not have the opportunity to participate will be able to do a catch up in late November after the exams. I am so proud of student who can bring vision into reality.

## NOTE TO PARENTS

### SCHOOL FEES ARE NOW DUE

Statements have been issued this week by email.  
Please check your statement and finalise payments as soon as possible.

If you have any queries regarding your account, please contact Mrs Wilkinson in the School Front Office to discuss.

It has been great to see so many parents using the school's secure Online Payment System which is streamlining payments and saving parents' time.

Payments can be made using Visa or Master Card, credit or debit cards.

Payments can be made through our website:

[www.theponds-h.schools.nsw.edu.au](http://www.theponds-h.schools.nsw.edu.au)

Click on "Online Payments", then click on "Make a Payment".

Payments over the telephone with a credit card can be made between:

**8:15 am and 2pm only**

### LOST PROPERTY

We have lots of lost property item:

Uniforms  
Shoes  
Sports bags  
Containers  
Drink bottles  
Hats  
Opal cards  
Car keys

Please ensure your students come and check for lost items. Items not collected will be donated to charity.

Tuesday 5 November

Year 8 VALID Test

GAT Discovery Project Day

**HSC ENGLISH PARENT WORKSHOP GYM 6AM**

Thursday 7 November

Macquarie Cup Futsal

TPHS Debating Challenge

Friday 8 November

History Extension Seminar State Library of NSW

# SPORT

## Macquarie Cup Oztag

On Tuesday 15 October, we sent a boys and girls team to compete in Macquarie Cup Oztag at Hills Centenary Reserve. We had a variety of successes on the day and I am extremely proud of how the students conducted themselves throughout the round robin competition.

There was great teamwork throughout the different year groups and everyone was able to work together in a positive manner. The boy's team lost their minor semi-final and the girl's team lost their semi-final by 1 point.

A special mention to Abby (10J), Keely (9C) and Riley (8C) for their selection into the Macquarie Zone Team. They will compete at the Sydney West Oztag competition in Week 2. Congratulations!

*Mr T Hansen*  
Oztag Coach

## YEAR 7 GALA DAY

On Tuesday 22 October, Year 7 participated in a Sports Gala Day against schools within the Macquarie Zone. It was a round robin gala day promoting fun and participation and also introduced students to the concept of playing other schools if they wish to pursue Grade Sport next year.

Students departed school at 9:00 am and spent the whole day playing basketball, netball, touch football or soccer. Year 8, 9 and 10 helpers coached and refereed games throughout the day. It was an excellent Gala Day and fantastic to see the good sportsmanship displayed by our Year 7 cohort.

Thank you to the staff and student helpers who made the day

# CAREERS

## Certificate III in Aviation (Drone Piloting)

The first year of the Certificate III in Aviation (Drone Piloting) has been a big success. Students are in the final stages of revision for their examination and following this they will be participating in Industry Simulations to prepare themselves for real contracts that they may secure as Drone Pilot Professionals.

For any students still interested in studying this course in Year 11 2020 there may be still an opportunity to do so. This course counts for 4 units of non-ATAR study for the HSC and provides industry standard qualifications and experience. If interested please address your application to Mr Baird.

## The Ponds HS Drone Pilots visit The Ponds School

Students gained a taste of real industry experience when they were contracted as a group to take photos and film of The Ponds School last week. The students enjoyed this experience immensely and the school was very appreciative of the photography that resulted from their visit.

Students working on this project included:

Back Row: Dylan, Nathan, Ethan, Kutay, Scott and David.

Front Row: Jeremiah and Reece.

Great job boys!

## The Biggest Drone Ever

Students practicing their drone skills this week were surprised by an unexpected visit from a helicopter landing on the school oval. The pilot took advantage of our oval to establish a base to evacuate an injured worker from the excavation work across the road from the school. Ever vigilant of a photo opportunity our drone students seized the day. Thanks to their instructor, Sam Bignell, for providing this photo.

## Construction and Employability Programs

At present there are several students who have chosen to accept opportunities presented to them to improve their employability and construction skills. There are two programs currently running this term. We have two boys, Jayden (11) and Corey (10E), on the Productivity Bootcamp Course that started this week. Six students are currently participating in the 'Fit for Work' course at PCYC. We wish these students well and will watch their progress with interest. If there are other students interested in these programs they can address their interest to Mr G Baird.

## YES (Youth Engagement Strategy) TAFE Courses

Congratulations to the 10 students who pioneered the Carpentry course at Nirimba TAFE last term. They all received their certificates and thoroughly enjoyed their experience. Mrs Weal visited the students on their last day as they put the finishing touches on their constructions. Graduating students included: Hayden, Brayden, Braydon, Matthew, Tessa, Anthony, Jackson, Daniel, Louisa and Riley.

## Yes Childcare Program

Last week two students commenced a YES Childcare Program. We wish Abby and Isabella (10J) the best as they gain an insight into this vital community industry.

## Gaming Course

Finally Both Maclan (9G) and Kristian (9J) will commence their YES Gaming Course next Tuesday. Both boys are looking forward to the insight they will gain from this experience about this emerging industry.

## UNIVERSITY

### Australian University Ratings and Rankings 2019/2020

The section below provide a series of ratings and insights across a range of indicators. On the premise that no institution is superb at everything, these rankings are high-level indicators and should be used to gain comparative insights into the varying strengths and characteristics of each institution.

This rating looks at the proportion of students who were satisfied with the overall quality of their educational experience.

<https://www.gooduniversitiesguide.com.au/university-ratings-rankings/2020/overall-quality>

### WSU - The College puts university within reach

Get a head start on your path to Western by studying at The College.

As the official pathways provider to Western Sydney University, The College offers a wide range of University Foundation Studies and Diploma programs to help you on your way to achieving your tertiary education and career dreams.

With our wide range of pathway courses on offer, The College prepares you for success with smaller class sizes and a supportive learning environment.

Apply for one of our many courses and you could be on your way to completing a university degree in no time!

<https://www.westernsydney.edu.au/future/study/courses/the-college.html>

### Reminder - UTS Discover Nursing

13 November. 5pm

Open to High School Students and parents more than welcome to attend. Get a taste for what you can study in health at UTS at one of our Discover Health sessions. Find out more about our undergraduate courses at an info session, then head on a tour of our world-class facilities. Register here:

<https://confirmsubscription.com/h/t/C5C7E0D53A64230D>

## APPRENTICESHIPS & TRAINEESHIPS

Apprenticeships/ traineeships are a fantastic way to **kick start your career** in an industry you are passionate about.

Earn while you learn: a **hands-on** opportunity to gain experience & work towards a nationally-recognised **qualification** while getting **paid**! Call us: 1300 436 257

<https://wpc.jobreadygateway.com.au/vacancies>

## Discover a world of opportunity through an apprenticeship or traineeship

Training Services NSW has published their latest guide, Create your future now – apprenticeships and traineeships in NSW, to help young people to make informed career decisions. For further information on apprenticeships and traineeships and other VET options, contact your local regional office by calling 13 28 11.

Please visit:

[https://www.training.nsw.gov.au/apprenticeships\\_traineeships](https://www.training.nsw.gov.au/apprenticeships_traineeships)

## 1300apprentice

See current opportunities here.

An apprenticeship program is generally completed over 4 years. Within the first 3 years, you will complete structured training by a Registered Training Organisation (RTO) such as TAFE. Competency-Based Completion can be attained through discussion with your host employer, RTO and your Field Officer.

Find out how 1300apprentice can help.

<https://www.1300apprentice.com.au/jobs?type=apprenticeship>

## COLLEGES

### AIE Open Day - game development, 3D animation and visual effects

16 November. 10am - 3pm

Level 4, 33 Mountain St, Ultimo, Sydney:

Discover the courses designed to get you started in game development, 3D animation and visual effects at the AIE Open Day on Sat 18th May, 2019. Sydney,

# UNIFORMS NEWS

Welcome back to Term 4! It will be a very busy Term.

## Orientation Day Tuesday 3 December

Many thanks to the lovely mums who have already offered to help out this term, it is much appreciated. I would still like to ask for Volunteers to help out on Orientation Day, Tuesday 3 December.

The Uniform Shop will run 2 fitting sessions on the day: 7:30 am to 8:45 am in The Uniform Shop and 12:30 pm to 5:00 pm in the Gym. New Year 7 students will be fitted for Uniforms **by appointment only** on this day.

The more volunteers we have, the more appointments we can make available to our new families. There are several different jobs required on the day such as fitting students, packing uniforms, unpacking stock, helping with payments etc.

I would love to welcome back any past volunteers as well as any new helpers. Please email me as soon as possible, so the roster can be organised.

## Opening Hours Term 4

The Uniform Shop is open every Wednesday 8:00 am to 3:15 pm and Thursday mornings 8:00 am to 11:00 am during Term 4 and Term 1 2020. No cash payments can be accepted after 2:30 pm due to banking. Card payments are accepted until 3:00pm. Flexischools Orders can be placed up until 4:45 pm on Tuesdays for Wednesday pick-up from Recess onwards.

## Year 10 Students into Senior Uniforms

Parents please note! All current Year 10 students need to be fitted for the Senior Uniform, to commence at the start of Year 11 next year. Girls change into the white blouse with Red Trim (same style and sizing as the Junior Blouse) and the black Senior Skirt.

Boys change into the Black Tailored Trouser or Black Tailored Short. Boys shirts and socks remain the same. All senior students are required to wear the Senior Tie. The Senior Uniform is worn Monday-Friday. There is no sport in Year 11, unless you have sport-based electives.

The uniforms **MUST** be tried on for sizing as different companies have different sizing. Please, please encourage your students to come and be fitted during Recess or Lunch, we will write the sizes down for you.

## Delay in Stock

Most of our incoming stock for Orientation and 2020 has arrived and again thanks to the mums who have helped count and package it! As an example of the volume of stock required for our school, we have packed 1,200 boys shirts and 900 polo shirts just to name a few items.

We have experienced a delay in the delivery of Boys Elastic Waist Shorts and are currently out of Size 18. Some other sizes are also quite low. I am expecting delivery in approx. 3 weeks and I apologise for this delay.

Please email me at [uniforms.theponds@gmail.com](mailto:uniforms.theponds@gmail.com) with any volunteer preferences
